

Japan – Life Science Industry

Doing Business in Japan

Series of Seminars By Harel-Hertz Investment House

Japan – The Gateway To Business in Asia

Sunday, June 13th 2010, 8:30 am

HIH Offices Building, 91 Medinat Hayehudim St., Herzliya Pituach

We are pleased to invite you to attend an educating and networking event – “Japan – Life Science Industry” – a unique opportunity to learn more about trends, potential and business prospects that the Japanese Life Science market can offer Israeli companies.

Among the Participants:

Mr. Yoshihiro Iida, General Manager, Business Strategy Development Department, Olympus Medical System Corp., Japan

Ms. Tomomi Okamoto, Advisor, Red Abbey Venture Partners, Japan

Ms. Einat Weidberg, Adv., Raved, Magriso, Benkel & Co. Advocates and Notaries, Israel

Mr. Roger Gray, Vice President, Quality and Regulatory, Donawa Life Science Consulting S.r.l, Italy

Mrs. Suzana Nahum-Zilberberg, Vice President Asia International Group, Teva Pharmaceutical Industries Ltd., Israel

After 16 years of dedication, hard work and success, during which we have led many successful investments and collaborations between Israel and Japan, we at Harel-Hertz continue to share our experience and knowledge and host a Life Science seminar.

This unique seminar aims at covering all aspects of the Life Science Market in Japan from regulation issues to the interest that the Japanese market may have in Israeli technologies, and also how to do Business between Japanese and Israeli companies.

The event will give the participants the ultimate combination of a keynote speakers both from Japan and Israel, presentations by HIH and the personal experience of a successful Israeli company with its Japanese partners.

The Seminar is for key executives of Medical Devices and Pharmaceuticals Companies and Venture Companies, Venture Capital Funds and Private Investors, Incubators, and all those who are interested to penetrate the Japanese Life Science market.

Participation is free of Charge. Registration is required in Advance.

For registration and details please call Meytal at 09-9606900 or register at our web site <http://harel-hertz.com/seminars.asp?cid=42800>
